Subject: Current Lead-times & Raw Material Surcharges November 2021

Dear Customers,

Please see surcharges, estimated lead times, and shut down dates below. We are seeing lead times and pricing at the mills continuing to experience significant increases in demand, extending lead times further, all resulting from Covid and staff/crewing issues in part due to reduced staffing in 2020. So, we encourage you to look at your forecast for 2021 - 2022 and place your orders sooner rather than later in order to get your parts when you need them.

Surcharges:

CJ Estimated Forging Lead Times:

- **Outside processes:**

 - **Mechanicals = 1 week**
